Type O "Hot"

Population

Roughly 38% of the world is O +ve and 6% O -ve.

Traits

Confident and Strong-Willed, Proud, Dedicated, Sociable, Energetic, Extroverted, Frank, Realist, Showy, Flighty, Generalist, Positive, Independent, Risk-Takers, Dislike taking orders, Insecure, Stubborn & Self-Centered.

Make friends easily and go with flow and grasp opportunity. Quick to start a project or chase an idea. Are good at organizing activities. May have short attention span, and expresses strong emotions. May quickly take opposite views that are deep but not always durable. Classic entrepreneurs and movers and shakers.

Express their emotions but can be swayed by other blood types. Have an intrinsic elegance. Sociable and showy. May be good at adapting to circumstances. Words come easily to them. Not self conscious and will frankly reveal inner feelings. Ambitious, but may have issues with detail.

Like to be touch and be touched by others.

Type A "Cool"

Population

Roughly 34% of the world is A +ve and 6% A -ve.

Traits

Obedient, Careful, Sympathetic, Self-Sacrificing, Polite, Honest, Loyal, Emotional, Introverted & Nervous.

Are reserved calm and even tempered. Sensitive to public opinion. May be Introverted, shy and nervous or ill at ease with others. May be Pessimistic. Value relationships and are loyal. Hesitant to change. Nature lovers and dislike crowds - need a private place or secret hideaway. Can be indecisive. Good at team work and obey rules.

Dislike to touch or be touched by others.

Type B "Active"

Population

Roughly 9% of the world is B +ve and 2% B -ve.

Traits

Cheerful, Optimistic, Active, Sensitive, Kind, Forgetful, unorganized, Noisy, Egocentric

Energetic and have the drive to reach towards goals. May be workaholics. Not the best team players and are individualistic. Do things at one's own pace. Strong personality adventurous. Likes to get one's own way. Are Sociable and enjoy entertaining.

Like to touch or be touched by others.

Type AB "Care-Free"

Population

Roughly 4% of the world is AB +ve and 1% AB -ve.

Traits

Social, Easy-going, Sympathetic, Diplomatic, Outgoing, Laid-back, Creative, Unpredictable, Artistic, Flexible, Moody and Brooding.

Blend of opposites. Shy with some and bold with some. Introvert and Extrovert. Unpredictable and may seem to have calm exterior. Strong creative strain. Good at spotting problems and skirting them. Like city environment. Get bored easily. Everything they do is compelling. Never take things for granted. Appear mysterious. Contribute harmoniously to society.

Dislike to touch or be touched by others.
