I have a dream, a song to sing  
 To help me cope with anything  
 If you see the wonder of a fairy tale  
 You can take the future even if you fail  
 I believe in angels  
 Something good in everything I see  
 I believe in angels  
 When I know the time is right for me  
 I'll cross the stream - I have a dream

I have a dream, a fantasy  
 To help me through reality  
 And my destination makes it worth the while  
 Pushing through the darkness still another mile  
 I believe in angels  
 Something good in everything I see  
 I believe in angels  
 When I know the time is right for me  
 I'll cross the stream - I have a dream
