Hi Julia1492:

To enter, click [Enter Chat Room] and you shall see a new window pops out, sign in again , and you will be there. I will get in and stay for a little bit.

Will I have the luck to meet you there??

Hello Julia1492:

Amazed to see the traffics that you brought in, very nice.

If you folks like, try to use Flash Chat, it has been almost abandoned for sometime. So many old friends got caught by life. It was so much fun and full of chatters a while ago.

Anyway, chat later.

Trust me, I have been trying to enter the chatroom since yesterday, but the system does not allow me to enter.

Somehow, I saw 123 in there, but I could not get in.
