When somethingâ€™s wrong
And too much to handle
Try to find some peace of mind
Let it go.
Wait a minute, you know this road
Itâ€™s gonna leave you on overload

Yeahâ€¦

â€˜Cause somebody cares, yeah

I can see you hurting (turn around)
I will be right there
Donâ€™t run away [x3]
When I reach out to you, look around
I will be right here
Donâ€™t run away [x3]
Tonight

Hmmâ€¦

Donâ€™t make a sound
Iâ€™ll be your voice
You donâ€™t need to be afraid
Anymore
Iâ€™ll shine a light out in the dark
Guide you here no matter how far

Ooooohhh, yeah

â€˜Cause somebody cares, oh yeah

I can see you hurting, (turn around)
I will be right there
Donâ€™t run away [x3]
When I reach out to you, look around
I will be right here
Donâ€™t run away [x3]

Tonight

Open up
Let it all out tonight, yeah
Open up
And everything will be alright

I can see you hurting, (turn around)
I will be right there
Don't run away [x3]
When I reach out to you, look around
I will be right here
Don't run away [x3]

[Layered vocals of these words]
Oh, away, away, away, away, away
Don't run away
Oooh, yeah

Tonight
