He-he, ok, sometimes I am uncertain of this expression. But it is used in English (as I see since 1620), no doubt:

<http://www.thefreedictionary.com/gusto>

So I meant "to see it with pleasure, enjoying it etc"...

Next week I'll upload a song, it is Spanish, "Me gustas tÃº" - the Spanish verb 'gustar' means 'to like' - I'll dedicate it to You and Dagege (as he'll be in Barcelona).

Ok Dashushu..., what is the meaning of gusto here.? taste as in google translate!!

Thankyou so much for your detailed explanation...I should have guessed you are writing in English rather than any other language... heheh( scratching head!!)
