Sooong, you can wake up anything on this planet but my imagination. It's toooo dangerous, huhh!

A full round shape woman's corset would be too big for me... Not really practical for running...

What I am trying to tell Dashushu are.. firstly never call a lady 'fat' nor make comments on their over sized physique :P.. Plump also means the lady is voluptuous , having a full round shape.. so it depends how you and Dashushu imagine!!!
