I just came back from work today ... terrible tired!

Then I found this beautiful old song, ... I already knew the melody ... put out my guitar and played it~~~

Now I am awake again ... maybe the neighbors will wonder a bit about what is happening today ...

<http://aditarea.blogspot.de/2011/05/chord-gitar-arie-wibowo-madu-dan-racun.html>

If Dahsushu really once will perform his already famous "Pink-Corsage-Dance" I will join the party and sing that song in Malay ... yeeeeaaaah~~~~
