Ha-ha, Dagege, no wonder realism and naturalism were born in France! C'est la vie for sure!
Voltaire is said to have had 30-40 cups a day... I am still only at 4 (Arabic...) of 2 dls. Fortunately the police are still not here...

Long time no see, folks!

I see Dagege picked a Hitchcock style avatar...

Nice pic, but I am sure this coffee is not strong enough. After having a real coffee one must be uncertain if the ambulance should be called or not...
