Nice puzzle, Song, thanks!

It is not my style, bu the video made me curious, I wonreder where it was shot.

Snow - baroque style - Eiffel-like structures - obsolete train - well, this looked Central-East Europe; a notice on the gate: Sklo - PorcelÃ¡n; Glas - Porzellan; I am on the right way, that is a Slavonic language and German, huhh, I am soooo good; ha-ha, an old Russian car, a very Czech looking girl. Finally I have not found anything of the location, but it is surely the Czech Republic.
