Not even so surprising in fact ... have you ever heard from this guy ...

[http://en.wikipedia.org/wiki/Gheorghe\\_P%C4%83nculescu](http://en.wikipedia.org/wiki/Gheorghe_P%C4%83nculescu) (engineer)

(Look there for the engineer, not the old guy ... )

Interesting list... We are at Paris, Texas again.

I've never heard of this Romanian story, it is amazing.

As for the lady, she is really good at flicking the ball overhead, I myself hardly ever could do this trick.  
At some scenes she got into dangerous situations...

Hey, Dashushu ...

Don't tell us now again, that you know where this small video is produced, ... only because you can see a small tower standing around in a big city ...

Could be also here ... or here ... or here ...
