Anna: Okay, can I just, say something crazy?

Hans: I love crazy!

Anna:

All my life has been a series of doors in my face
And then suddenly I bump into you

Hans: I was thinking the same thing, because like â€”
 Iâ€™ve been searching my whole life to find my own place
 And maybe itâ€™s the party talking or the chocolate fondue

Anna:

But with you (but with you)

Hans:

I found my place (I see your face)

Together:

And it's™ nothing like I've™ ever known before

Love is an open door

Love is an open door

Love is an open door

With you (with you)

With you (with you)

Love is an open door

Hans:

I mean it's crazy (what?!)

We finish each other's" (sandwiches)

Thatâ€™s what I was gonna say!

Anna:

I never met someone

Together:

Who thinks so much like me (Jinx! Jinx again!)
Our mental synchronization
Can have but one explanation
(H) You
(A) and I
(H) were
(A) just
(H/A) meant to be

Say goodbye (say goodbye) to the pain of the past
We donâ€™t have to feel it any more
Love is an open door
Love is an open door
Life can be so much more
With you (with you)
With you (with you)
Love is an open door
