Okay, before further discussions ... I really have to watch that special film first ...

Will do so soon ~~~

Well... good question... Does European film still exist?...

The films that are for "commercial use" here - those are trash... (My god, it is so ridiculous... in Hungarian American style gangster films villains keep on speaking Hungarian with Russian accent...

) Art films - there are some slightly above average, but there are no masterpieces...

Hm, this is the famous opening scene of the last great Hungarian film (I mentioned it before):

Hmm, what's about a Hungarian one ...

Hahaha , ... does that actual exist???

Really don't know (m)any ... movies from there ~~~
