It's taste was sweet like summer wine,

ä»¥é™â€•æ™,é-“è.â³â³çš,,â¿fè†ÿã€,
the heart that beats in double time.

So he waltzed right in, he bowled you over,

èŒä½ ä»•ç,,¶æ²%æµ,âœ”ä»-é’øé-çš,,æ,,ÿè!ä, -ã€,
and you're still reeling from the feeling when he's gone.

The door is closed, the lock is turned,

and all the memories and letters have been burned.

So when you pick the handsome flower

don't forget the thorn upon the rose

It's cut is deep and it's scar lasts forever,

it follows love wherever love goes.

Just how we fall it's hard to know

when what we feel we seldom show.

So we show the parts we feel are best,

we squirm around the edges trying to cover up the rest.
