Who can say where the road goes,
Where the day flows, only time?
And who can say if your love grows,
As your hearth chose, only time?

Who can say why your heart sighs,
As your life flies, only time?
And who can say why your heart cries
when your love lies, only time?

Who can say when the roads meet,
That love might be ,in your heart?
and who can say when the day sleeps,
and the night keeps all your heart?
Night keeps all your heart.....

Who can say if your love groves,
As your heart chose, only time?
And who can say where the road goes
Where the day flows, only time?

Who knows? Only time
Who knows? Only time
