(Ben sprints out and pulls her away)

(Cuts in the sound of the car ~Honk~)

(Remaining the holding posture, Ben and Elma are embarrassed, and quickly depart)

(The driver gets off the car, and runs to Elma in a hurry)

The Driver: Are you alright?

(Ben and Elma still look at each other embarrassedly, ignoring the driver)

The Driver: Hey! I donâ€™t remember hurting your heads! (Lifting his hand in front of their faces, waving it to them) (Stop)

(æœ^ä, 'è€•ä^{oo} shows up)

æœ^ä, 'è€•ä^{oo}: What a lovely couple! If I donâ€™t make you both a pair, and make that bloke, Giordano, do monkey dancing. I am not æœ^ä, 'è€•ä^{oo}! (æœ^ä, 'è€•ä^{oo} ties one end of the red line onto Ben, and while he is going to tie the other end onto

Elmaâ€™!) (

æœ^ä, 'è€•ä^{oo} sneezes!!! With his hand trembling, he accidentally ties the other end onto the taxi driver)

æœ^ä, 'è€•ä^{oo}: (slowly standing back on one step, the second step) Oh! Too bad! (Ben and the driver look passionately into each otherâ€™s eyes. Elma is wonderingâ€™!)

The Driver: Would I have the honor to take you out for a joyride?

Ben: Sure. Iâ€™d love to!

The Driver: (talking while opening the door for Ben.) My home has a very beautiful waterfall â€œNiagara Fallâ€œ. (Then Ben and the driver drive away)

Elma: (Looking confused when the two leave, shaking her head, and walking away)

æœ^ä, 'è€•ä^{oo}: (Put his hands on his head) Oh! What a big mistake I have made! (All exeunt the stage)

Scene Four

(æœ^ä, 'è€•ä^{oo} and Jupiter meet again, looking each other and nervously going ahead.)

Both of them learn monkey dancing, and then surprisingly look at each other.)

æœ^ä, 'è€•ä^{oo}and Jupiter: So you failed too! (Bursting into laughter)

æœˆä, è•äº: (Patting Jupiterâ€™s shoulders) Well, well, well, Iâ€™m getting too old! Jupiter: Donâ€™t say that! There are still a lot I need to learn from you! (A Western boy opens the door and walks out on the left side. An Eastern girl opens another door and walks out on the right side.)

(æœˆä, è•äº and Jupiter see this. Jupiter whispers to æœˆä, è•äºâ€™s ears. After æœˆä, è•äº hears, smiling, and shows a sign âœOKâœ) (æœˆä, è•äº runs to the boy, and takes up his hat.) (Cuts in the sound of wind) (The hat is blown to the middle of the stage.)

(Jupiter runs to the girl, and takes away a pile of papers from her hands. [Cuts in the sound of wind] The pile of papers is blown to the middle of the stage.)

(The boy and the girl exclaim, turning back to pick up their own individual things.) (The boy looks up, cuts in the music) (The boy and the girl hand in hand, leaving embarrassedly)

æœˆä, è•äº and Jupiter: (clap hands with each other) YA! We made it! (Both of them put hands on each otherâ€™s shoulders, walking and singing)

æœˆä, è•äº: Ha! Ha! Brother. Letâ€™s drink a toast to celebrate together. Jupiter: No! I am just a child! (Both exeunt the stage gradually, and the voice becomes smaller and smaller)

Years later, the Western boy and the Eastern girl who used to walk on the opposite side gave birth to a baby. (Baby shows up, sitting on the floor sucking a nipple) This is the origin of a mixed child.
