Artist: Rascal flatts

Song: Bless The Broken Road

Album: Feels Like Today

I set out on a narrow way many years ago  
Hoping I would find true love along the broken road  
But I got lost a time or two  
Wiped my brow and kept pushing through  
I couldn't see how every sign pointed straight to you  
Every long lost dream led me to where you are  
Others who broke my heart they were like northern stars  
Pointing me on my way into your loving arms  
This much I know is true  
That God blessed the broken road  
That led me straight to you

I think about the years I spent just passing through  
I'd like to have the time I lost and give it back to you  
But you just smile and take my hand  
You've been there you understand  
It's all part of a grander plan that is coming true

Every long lost dream led me to where you are  
Others who broke my heart they were like northern stars  
Pointing me on my way into your loving arms  
This much I know is true  
That God blessed the broken road  
That led me straight to you

Now I'm just rolling home  
Into my lover's arms  
This much I know is true  
That God blessed the broken road  
That led me straight to you

That God blessed the broken road  
That led me straight to you.
