To really love a woman

To understand her - you gotta know her deep inside

Hear every thought - see every dream

And give her wings - when she wants to fly

Then when you find yourself lying helpless in her arms

You know you really love a woman

*When you love a woman

You tell her that she's really wanted

When you love a woman

You tell her that she's the one

Cause she needs somebody to tell her

That it's gonna last forever

So tell me have you ever

really - really really ever loved a woman?

To really love a woman

Let her hold you

Till you know how she needs to be touched

You've gotta breathe her - really taste her

Till you can feel her in your blood

And when you can see your unborn children in her eyes

You know you really love a woman (*)

You got to give her some faith - hold her tight

A little tenderness - gotta treat her right

She will be there for you, taking good care of you

You really gotta love your woman...
