Hi! Glotynn,

You are totally wrong. Buddy is your buddy at another chat room. I am a handsome boy, many pockmarks on my face though. Before one month, we chat almost together every day.

The heroine was famed for her post on that website. I knew her, but not me. What the reason that she is still living well? I was curious about that.....

It is not fair!!! I don't like to be killed once again.
