Knock knock jokes are quite popular in the United States and many people love them. The format of a knock knock joke usually goes like this.

A: Knock knock!

B: Who's there?

A: <name>

B: <name> who?

A: <something similar in sound to that name>

For example,

A: Knock knock!

B: Who's there?

A: Nobel.

B: Nobel who?

A: (There's) No bell. That's why I knock-knocked.

The following are some more I get from the Net.

A: Knock Knock!

B: Who's there?

A: Repeat.

B: Repeat who?

A: Who Who Who!

A: Knock Knock!

B: Who's there?

A: Abe.

B: Abe who?

A: Abe C D E F G H...

A: Knock Knock!

B: Who's there?

A: Adore.

B: Adore who?

A: Adore (= A door) is between us open it up.

Hope you guys enjoy them.

Tim
