Mike: Hi Amanda. What's wrong? You seem to be in a bad mood today.

Amanda: I am! I was walking on the crosswalk on my way to school, minding my own business, when a motorcycle almost ran me over!

Mike: You looked both ways before you started walking, didn't you?

Amanda: Of course I did! I just hate inconsiderate drivers. It's one of my biggest pet peeves.

**** Hello,How can we say"pet peeve" in Chinese?
