When a wife wants to beat up a henpecked husband, the man would run for his life and would find a place to hide; usually under a dining table. The woman would shout out, "Insect! I dare you to come out!"

The henpecked husband would say, "å¤§ä,^å¤«ä,€ë"€ä¹•é¼Ž,èªª,•å†°å°±ä,•å†°!"
