[I]

$\ddot{a}^{oo} = \text{ä} \bullet f \acute{e} \text{¥} - + \text{ç} \bullet j \grave{e} \text{§} \% oo + \ddot{a}, \check{S} \text{ç} \bullet - + \text{ç} \check{Z} \text{©}$
(Human = eat + sleep + work + enjoy)

$\text{ç} \text{œ}^a = \text{ä} \bullet f \acute{e} \text{¥} - + \text{ç} \bullet j \grave{e} \text{§} \% oo$
(Pigs = eat + sleep)

$\ddot{a} \gg \text{£} \text{ä} \dots \text{¥} : \ddot{a}^{oo} = \text{ç} \text{œ}^a + \ddot{a}, \check{S} \text{ç} \bullet - + \text{ç} \check{Z} \text{©}$
(hence, Human = Pigs + work + enjoy)

$\text{ä} \bullet^3 : \ddot{a}^{oo} - \text{ç} \check{Z} \text{©} = \text{ç} \text{œ}^a + \ddot{a}, \check{S} \text{ç} \bullet -$
(i.e., Human â€“ enjoy = Pigs + work)

$\text{ç} \text{“} \text{è} \text{®}^o : \ddot{a}, \bullet \text{æ} \ddagger, \text{ç} \check{Z} \text{©} \text{ç} \check{S}, \ddot{a}^{oo} = \text{ä} \text{¼} \check{s} \ddot{a}, \check{S} \text{ç} \bullet - \text{ç} \check{S}, \text{ç} \text{œ}^a$
(in other words, Human that doesn't know how to enjoy = pigs that work)

[II]

$\text{ç} \text{“} \cdot \ddot{a}^{oo} = \text{ä} \bullet f \acute{e} \text{¥} - + \text{ç} \bullet j \grave{e} \text{§} \% oo + \text{æ} \text{œ} \text{£} \acute{e} ' \pm$
(Men = eat + sleep + earn money)

$\text{ç} \text{œ}^a = \text{ä} \bullet f \acute{e} \text{¥} - + \text{ç} \bullet j \grave{e} \text{§} \% oo$
(Pigs = eat + sleep)

$\text{ç} \text{“} \cdot \ddot{a}^{oo} = \text{ç} \text{œ}^a + \text{æ} \text{œ} \text{£} \acute{e} ' \pm$
(hence, Men = Pigs + earn money)

$\text{ç} \text{œ}^a = \text{ç} \text{“} \cdot \ddot{a}^{oo} - \text{æ} \text{œ} \text{£} \acute{e} ' \pm$
(If Men â€“ earn money = Pigs)

$\text{æ} \% oo \text{€} \text{ä} \gg \text{¥} \text{ç} \text{“} \cdot \ddot{a}^{oo} \ddot{a}, \bullet \text{æ} \text{œ} \text{£} \acute{e} ' \pm \text{ç} - \% oo \ddot{a}^o \check{Z} \text{ç} \text{œ}^a$
(then, Men that don't earn money = Pigs)

[III]

$\text{ä} \text{¥}^3 \ddot{a}^{oo} = \text{ä} \bullet f \acute{e} \text{¥} - + \text{ç} \bullet j \grave{e} \text{§} \% oo + \text{è} \check{S} \pm \acute{e} ' \pm$
(Women = eat + sleep + spend money)

$\text{ç} \text{œ}^a = \text{ä} \bullet f \acute{e} \text{¥} - + \text{ç} \bullet j \grave{e} \text{§} \% oo$
(Pigs = eat + sleep)

$\ddot{a} \gg \text{£} \text{ä} \dots \text{¥} \ddot{a}, \check{S} \text{ä} \text{¼} \bullet \text{ä} \text{¼} \text{—} :$
 $\text{ä} \text{¥}^3 \ddot{a}^{oo} = \text{ç} \text{œ}^a + \text{è} \check{S} \pm \acute{e} ' \pm$
(Hence, Women = Pigs + spend money)

ç§»é¡1â¼—:

â¥³äº- èŠ±é'±= çŒª

(If Women â€“ spend money = Pigs)

ç“è®º: â¥³äºä,•èŠ±é'±çš„éf½æ~çŒª

(Women that don't spend money = Pigs)

[ç»¼ä,Š]:-

ç”.äºä,ºäº†è®©â¥³äºä,•â~æ^•çŒªè€œæœœé'±!

(Men earn money to avoid women to become pigs!)

â¥³äºä,ºäº†è®©ç”.äºä,•â~æ^•çŒªè€œèŠ±é'±!

(Women spend money to help men not to become pigs!)

ç”.äºº + â¥³äºº = ä,¤â¤´çŒª

(Men + Women = 2 Pigs)

ç¥•â¤©ä,çš„çŒªä»¬âž«â¹•

Wish all the pigs to have a happy new year and lead a happy life ever after.
