Wow! Neo, you trigger my taste bud lah! So much so I wanna write a few words on **TONGUE** and **TOLERANCE** neh...

TOLERANCE is the only real test of civilization. I live and let live despite my encounters of all those with TONGUES in large bundle of skeletal muscles on the floor of the mouth with wide variety of movements to form irrelevant â€~sounds of speechâ€™™ that do not correspond to any definition of strength.

However, those whose minds think differently from their deceitful lips are unforgivable!
