Hello Futari/Geoette

I now know the meaning of the word 'UPPITY'. It is interesting. Thanks Futari, your summary of "In short, 'uppity' = putting on airs of superiority. "(ç<â!,,)è†ªâªşçš,,," is very clear to me.

Geoette, thank you for the trouble. I now know the meaning of UPPITY, and also learnt a new phrase - "riding a high horse"

Thank you again ^^
