The "V" song this week is ...

VIVA LAS VEGAS

(Elvis Presley)

Bright lights city gonna set my soul gonna set my soul on fire
Iâ€™ve got whole lot of money that's ready to burn so get those stakes up higher
There's a thousand pretty women waiting out there
Theyâ€™re all living the devil may care
And I'm just a devil with love to spare
So Viva Las Vegas â€! Viva Las Vegas

How I wish that there were more than twenty-four hours in a day
And even if there were forty more I wouldn't slip a minute away
Oh! There's blackjack, and poker, and a roulette wheel
A fortune won and lost on every deal
All you need is stone heart and a nerve of steel
Viva Las Vegas â€! Viva Las Vegas â€!

Viva Las Vegas with your neon flashing
And the â€one-arm-banditâ€™ crashing all those hopes down the drain
Viva Las Vegas turning day into night time
Turning night into daytime if you see it once you'll never be the same again

I'm gonna keep on the run I'm gonna have me some fun if it costs me my very last dime
If I wind up broke, well, I'll always remember that I had a swinging time
I'm gonna give it everything Iâ€™ve got
Lady Luck please let the dice stay hot
Let me shoot a seven with every shot
So Viva Las Vegas â€! Viva Las Vegas â€! Viva Las Vegas â€!
Viva â€! Viva Las Vegas â€!
