Dear Mr Glotynn

I am so delighted with this piece of news that I can't wait to share my joy with you and Mr Geoette.

I have been admitted to The University of Chicago! Here is an excerpt of the Letter of Admittance by the Office of College Admissions.

... I am pleased to inform you that you have been admitted to the University of Chicago, Class of 2011. Congratulations! You should be proud of the accomplishments and promise that led to your selection.

We feel a particularly strong responsibility to admit students who are not only qualified but who are ready to continue the crucial business of educating themselves. You have been selected by our faculty and admissions counselors because you recognize the pleasure - the absolute joy - to be found in active, creative learning. Our decision was not based on numbers but on your achievements and words, a difficult determination to make but one that gives proper honor to the University and you.

You have the chance to be part of a school with a glorious history and an exciting present. We look to you to help us grow, to grow with us, and to be part of a tradition that elevates us all.

Yours truly

Theodore A. O'Neill
Dean of Admissions ...

Many thanks for your help, Mr Glotynn, Sir.
