Consider the following sentence and answer the questions that follow.

1. Yesterday the keepers showed the gorillas a movie about their homeland.
2. The Keepers from the zoo down the road should be here soon.
3. Yesterday I showed them the piglets from the farm.
4. These monkeys will sleep in the branches of trees.

(a) Divide the sentence into functional constituents. Write down and label each functional constituent on a separate line.

(b) Draw a tree diagram for the sentence . Make sure you label each node of the tree.

I study the past exam paper~ but i don't know how to do this question~ Someone can teach me please! Many thanks!
