Wind beneath my wings&#12288;&#12288;Bette Midler

It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine, that's your way  
You always walked a step behind

So I was the one with all the glory  
While you were the one with all the strain  
A beautiful face without a name for so long  
A beautiful smile to hide the pain

Did you ever know that you're my hero?  
And everything I would like to be?  
I can fly higher than an eagle  
For you are the wind beneath my wings

It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know I know the truth  
( of course I know it )  
I would be nothing without you

Did you ever know that you're my hero?  
You're everything I wish I could be  
I could fly higher than an eagle  
For you are the wind beneath my wings

Oh, the wind beneath my wings  
You, you, you, you are the wind beneath my wings  
Fly, fly, fly away. You let me fly so high  
Oh, you, you, you, the wind beneath my wings  
Oh, you, you, you, the wind beneath my wings

Fly, fly, fly high against the sky  
So high I almost touch the sky  
Thank you, thank you  
Thank God for you, the wind beneath my wings

\*an old song but sometimes touch people's heart...whatever sung with guitar or piano
