Mrs Black,a 56-year-old lady,walked into a clothes shop.

She asked the salesgirl to let her have a look at a new dress on display. But the girl stood still behind the counter, paying no attention to the request.

The old woman spoke to the girl again,raising her voice a bit,but still received no answer.

Mrs Black looked at the girl and nodded to herself, "I'm too old to see well, I can't tell a plastic model from a real girl."

On hearing this,the rude salesgirl shouted at her,"What?Did you call me a plastic model?"

Mrs Black was greatly surprisd."Oh dear me,"she said,"The model cna speak!Then it must be a robot of new type!"
