In my opinion, there is a phrase "so...that..."âª...ä»¥èŧ´ä°Ž...

If the answer is "that", it should be this phrase.

the sentence is like that "We are given so much food that will keep us alive" but

è¿™ä, äª¥äž'çš,, thatä•Žé•øä°"ä, °ä@Œæ•'çš,, äª¥ä-•

so I think the correct answer should be as.

For example: He is so young that he can't go to school.

In this sentence, thatä•Žé•øä°±æ~ä@Œæ•'çš,, äª¥ä-•

this is just what I think.
