Love Is a Blessing

Loving you is a blessing  
A blessing I prayed to come true  
To love you  
For you to love me  
This is a blessing  
I feel now to be true

Everyday I wake to the blessing  
That I have the love of the woman I love  
You are the heart and soul  
That beats deep within me  
Carrying my heart into the sky  
Higher and higher  
As our love grows

Darling you don't know  
How much I love you  
What you do to me when I see you  
I can feel the warmth flow through me  
When I look into your beautiful eyes  
Feeling the beating of my heart begin to race  
As I watch you walk  
Closer and closer  
Seeing that little smile  
That little wiggle as you walk  
Slowly to me  
My god what you do to me  
You will never know  
For I don't have the words  
To describe what it is I truly feel

All I know my love  
Is I can't live a day without you  
For without you  
I feel no love  
No warmth  
No sweet embrace  
No fire burning deep within me  
When I can see, feel or hear you

For all these emotions, feelings desires  
Always make me fall deeper and deeper in love  
With you

When I wake  
I so want to hear your voice  
The softness  
That is always within you  
Is shown in that delicate voice  
Your whispers can drive me crazy  
As you whisper into my ear  
God how I love to hear you whisper  
For it sets a fire within me

A fire that grows and grows  
Day by wonderful day

Darling you bring to me such feelings of love  
A love that sets my heart to beat  
Faster and faster  
Every time I just think of you

I crave your touch my love  
I crave the feeling of your body  
So close and near  
Feeling your warmth against me  
Feeling the silkiness of your skin  
As I hold you close  
I long my love for the times I can hold you close  
For time moves so slow when I have you in my arms  
Pulling you gently closer to whisper in your ear

Darling I love you more today  
Then I loved you yesterday  
And I will love you more tomorrow  
Then I love you today.

Then I look into those beautiful eyes  
Looking for a sign within  
To see your love  
As I gently caress your face  
To look into your eyes  
So you can see within me  
My eyes telling you just how much  
I need and love you

I desire the touch of your lips  
As I gently caress your face  
Moving closer to the moment

Our lips touch  
I know our love is real  
For I can feel the love  
The desire in the woman I love  
As we kiss

Darling I need you more than anything  
I need your love, hope, caring  
Your very desire  
Cause without you my love id be nothing  
For you are truly my heart and soul

Love you Darling
