1. Thank you for comforting me when I'm sad
Loving me when I'm mad
Picking me up when I'm down
Thank you for being my friend and being around
Teaching me the meaning of love
Encouraging me when I need a shove
But most of all thank you for
Loving me for who I am

2. Love is more than a word,
it says so much.
When I see these four letters,
I almost feel your touch.
This only happened since
I fell in love with you.
Why this word does this,
I haven't got a clue.
