I wrote your name in air, it was blown away.  
Then I wrote your name on my heart,  
And I got heart attack.

He saw me thirsty, he created Pepsi.  
He saw me in dark, he created light.  
He saw me without problems, he created you.

You should know what you are.  
And once you know what you are,  
Mental hospital is not so far.

The grass and flowers too.  
If rain makes all things beautiful,

Monkeys like you should be kept in zoo.  
Don't feel so angry you will find me there too,  
Not in cage but laughing at you.
